IMPORTANT NOTICE ABOUT MULTIPLE ACCOUNT REGISTRATION (RESTRICTIONS AND PENALTIES)

TCC, Trade Coin Club provides services to consumers according to the Belize law. Therefore all TCC rules are bound by Belize law. Users must comply to these rules and regulations.

As user, you are only allowed 1 new account per person (with no exception).

It is prohibited by law to have multiple accounts per person and if it is discovered, you will be faced with a frozen account and the loss of your investment and will be permanently banned from ever joining TCC.

After this has happened, you will be notified by email and you have to prove that your were not having more than one account!

DO NOT TRY THIS! The consequences are very serious and people have been banned from the system already!

In some cases, you will see a “Passport or ID” box, in that case, please type your passport or drivers’ license number. Read page 8 for details.

NOTICE FOR NEW REGISTRATIONS

Make sure when you register, that you provide either Drivers' license or Passport number or other valid official ID with number of your country.

If you skip this box at this point, your activation will be significantly delayed! You will need to contact the company personally and have it be put manually by a TCC staff member.

After completion of registration you will need to upload a picture of you holding your ID document (Driver's license, Passport, etc.) through back office in order to activate your account.

Please do not skip this process to ensure a uneventful registration process.

Below this is a menu with icons for 'DASHBOARD', 'MY NETWORK', 'FINANCIAL', 'PLANS', 'TOOLS', 'LANGUAGE', 'SUPPORT', and 'SIGN FRIEND'. The main content area features a dark blue background with a network pattern and the text 'HASH PAYMENT' next to the Trade Coin Club logo. In the foreground, there is a white input field labeled 'Enter Hash' and an orange button labeled 'SEARCH HASH'. A large yellow callout box with two numbered steps is overlaid on the interface, pointing to the input field and the search button.

The screenshot shows a Bitcoin wallet interface with several fields and buttons. A yellow callout box with a red border contains the text: "① Type the amount of BTC in the WALLET Funds box. These two amounts are connected. Whatever amount you type on Wallet Funds, will be reflected on Total Value. (I.E. if you put 5 BTC in Wallet Funds, Total Value will be 5 BTC)." This callout points to the "Funds" input field and the "TOTAL VALUE" field. Another yellow callout box with a red border contains the text: "② When finished, click on PAY." This callout points to the "PAY" button. The interface includes a "SEARCH HASH" button, a "HASH EXPIRATION" timer showing 01 days, 23 hours, 19 minutes, and 19 seconds, and a "TOTAL VALUE" field showing 0.00000000 BTC. There are also input fields for "Commission" and "Funds", both showing 0.00000000 BTC. A "PAY" button is visible at the bottom right.

Before doing this, make sure you have communicated with the other party. This will avoid unnecessary confusion!

☆ABOUT TRADE WORK ON☆

Every Monday you need to select the Trade risk level (choose one of 3).

Use UTC (London time) from 0:00 to 24:00 check your time zone to avoid problems!

If you miss to do this setting, the software won't trade for you for the whole week!

However, your contract will be extended for the same amount of days that you missed. (You won't be losing trade days)

FAQ

Question	Answer
How long does it take before I get answers from Customer Support ?	Normally it is within 24 hours, except during Belize official holidays or other unforeseen circumstances.
How long does it take for my BTC to reach my account when I make a deposit ?	Minimum 10 min., average 2 hours. It might take up to 3 days depending on blockchain traffic and Belize holidays. If you don't have it after 3 days, please contact Customer support.
Tell me about the picture ID policy	TCC has a very strict policy concerning ID compliance. When you upload your picture you need to be holding your ID close to your face. Otherwise it will be rejected. Multiple accounts and fake ID's are punished by account closure, your funds will be lost and you will be banned for life
How long does it take for me to receive BTC when I request a withdrawal?	Normally it is within 24 hours, except during Belize official holidays or other unforeseen circumstances.
Is it a depreciation type of investment or is the principal guaranteed?	The principal is not guaranteed nor is it depreciated. You will receive your trading profits and commissions earned.
When I introduce new people, how does it work for positioning for left or right positioning?	For detailed explanation, please refer to page 71

Positioning Guidelines

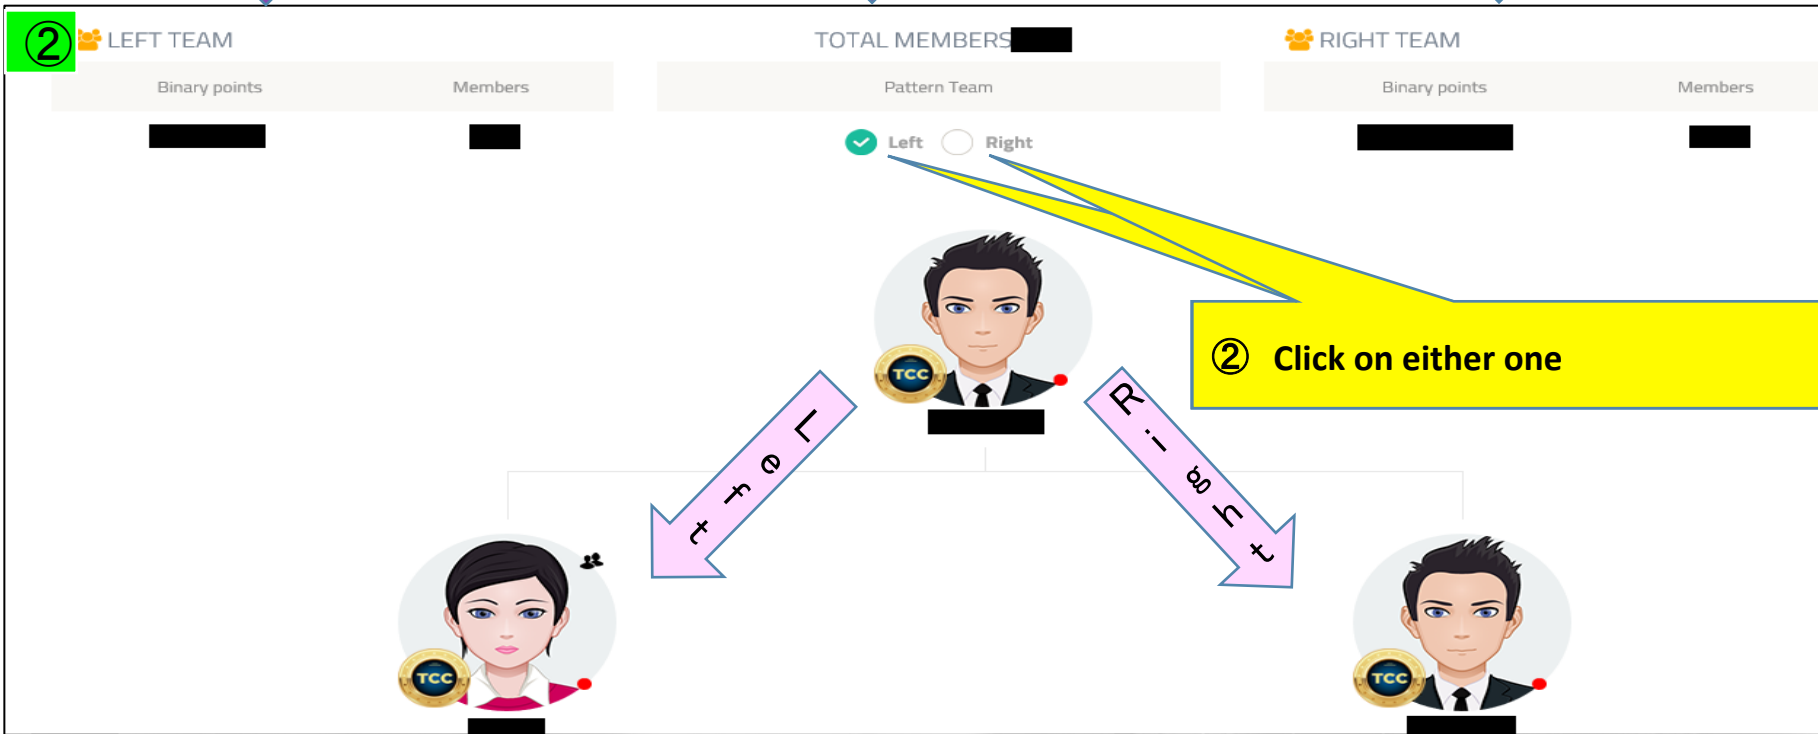

When you introduce new people, you need to position them left or right.
The ideal situation is to grow both legs evenly.

Instructions

Description

- 1 Click on MY NETWORK
- 2 Select Left or Right

IMPORTANT

When you introduce more than 3 people they will be position them on the outer legs.
Example for 5th person's position
